

Agenda 2030 International assignment

This is an international team work related to Agenda 2030. Each group has four members.

Each group will work on a specific theme and answer three questions. Each member of the group has to provide the answers concerning his or her home country or local situation, provide pictures that you took yourself and write a short but consistent and integrated text.

- Decide a **name** for the group!
- Choose a **team leader** who is responsible for sending the final work by email to the referent teacher of your group (e.g. Group 1 to Henna Pikkarainen).
- Each group has a **referent teacher** to ask questions to and to send the final work to.
- Choose **the way of reporting** the final work e.g. MS word, MS PowerPoint, LibreOffice.
- Find the way to **discuss online**, for example WhatsApp, Messenger, emails, Instagram etc.
- The **deadline** for this team assignment is the 31st of May 2022. Beware! This deadline is very soon. Don't loose time !
