AGENDA 2030: CHANGE THE SCHOOL TO CHANGE THE COMMUNITY
2020-1-BE01-KA229-074904

TITLE	Cooking class
DESCRIPTION	The students cooked a typical Finnish meal in the school's home economic class
PROCEDURE Steps to follow	The students were divided in the mixed nationality groups of 5. They got a recipe in English and the ingredients of the meal (a salad, meat balls with mashed potatoes and a berry quark as a dessert). The home economic teacher gave them an introduction how to prepare a meal and with the help of the Finnish students the groups prepared their dinner in the practice kitchens.
MATERIAL	Practice kitchens, recipes in English, ingredients
TIME	3, 5 hours
GROUP SIZE	48 students
COMPETENCES AND SKILLS TO BE ACQUIRED	Team work and communication, nutritional facts, culture and languages and cooking
NOTES	
School subjects involved	Home economics, languages, mathematics
